

TOP AGENT MAGAZINE

SUZY OSUM

If you are looking to buy or sell a home in Milwaukee and Waukesha Counties or the surrounding areas, you couldn't pick a more trusted or respected Realtor® than Suzy Osum. Licensed since 1992, Suzy is an award-winning Realtor® well known for her top notch customer service, something she has been recognized for as a FIVE STAR

Best-in-Client Satisfaction Real Estate Agent Award by Milwaukee Magazine for the past nine years.

Currently with Wisconsin's premier real estate agency, Shorewest Realtors, Suzy has built her reputation on always putting her clients' needs first. "That all starts with listening to your clients from the start and really understanding what their needs and goals are, only then can I help them find their dream home or sell their home for the best price in the least amount of time. I work incredibly hard to get my clients the outcome they desire. I offer constant honest communication and my clients really like that." Suzy's high percentage of repeat and referral business is perhaps the best proof that her approach to sales pays off.

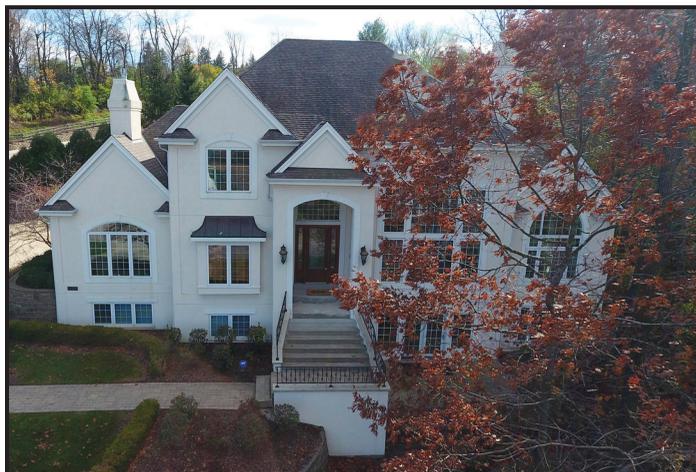

Suzy excels in all types of transactions, her experience moving numerous times with the Air Force has given her an in-depth knowledge about the relocation process, a particular niche she specializes in. Suzy has many designations and certifications and she is always adding more to offer her clients the best possible experience.

Another unique service Suzy offers her clients is that she is a certified stager. "Although I often hire a professional stager, I

am able to offer great advice to clients at our first meeting. I advise them on what they need to do to get their house in the best possible shape to sell. All of my listings have professional photographs, video tours and aerial drone pictures. We have a large social media presence so when I've created images and videos displaying your home at it's best, I can prominently feature it everywhere."

Suzy is actively involved in her community and is always looking for ways to give back. Sometimes those opportunities can come in unexpected ways, but Suzy is always ready to lend a helping hand. "I recently discovered a renter in need at a property I was showing. I used my professional network to raise money to buy food and other things she needed. It was just great to see everyone pitch in to make a family's life a little better." Suzy is also a member of Therapy Dogs International (TDI) and visits Rogers Memorial Hospital 2-3 times a month with her Standard Poodle, Disco, a certified Therapy Dog.

Suzy couldn't be more thrilled with her business, something that allows her to do what she loves to do most. "This business is all about building and maintaining relationships. Whether it's a client or mentoring a new agent, I'm grateful for the opportunity to help."
