NOTARA FARM HDT & CT

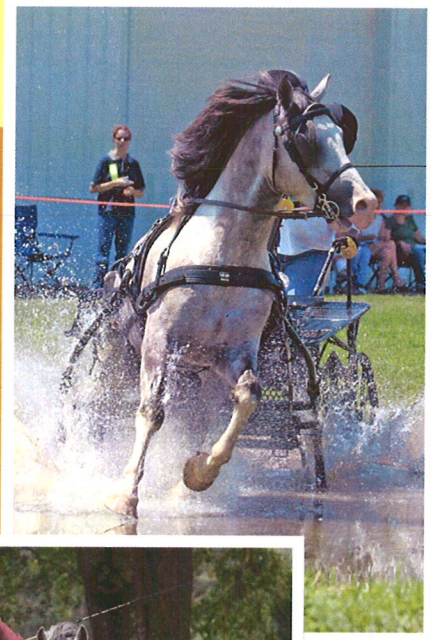

JULY 6, 2013

A Rotary International Benefit

In conjunction with:

Madison West Towne-Middleton Rotary Club

SPONSORSHIP

A **Horse Driving Trial** consists of three phases of competition. The first phase is **Dressage**, which tests the obedience of the horse and the accuracy of the driver, followed by the **Obstacle-Cones**, a series of cones where meticulous accuracy is required. The final HDT competition is the **Marathon**, the most exciting phase where the competitors are timed while negotiating cross-country obstacles. A Combined Test consists of Dressage and Cones only.

As you may know, entry fees cover only a small portion of the costs to run an event of this magnitude. And your generosity is essential for Notara Farm to offer a truly successful driving event and ensure that the Horse Driving Trial will remain an addition to the annual driving schedule in the Midwest. We'd love to see you be a sponsor!

Please plan to attend our event and enjoy the beautiful countryside and camaraderie of the competitors.
